BWD® Turbocharger Testing and Warranty

In the lab and on vehicles, all BWD® Turbochargers are rigorously tested for performance. BWD's testing procedures include hot gas stand testing and burst test validation to ensure structural integrity for durability. In fact, BWD® Turbochargers are 100% end-of-line tested through the full RPM range.

That's why all BWD® Turbocharger Kits come with a 3-year / 36,000-mile limited warranty.

BWD® Premium Quality Components

For more than 100 years, when the OE failed, technicians have trusted BWD® to deliver a part that's equal to or better than the original it's replacing.
